## Corrections to “A Software-Defined Ultrasonic Networking Framework for Wearable Devices”

G. Enrico Santagati and Tommaso Melodia

In Section VI of the above paper [1], incorrectly numbered reference citations were introduced during the editing of the paper. The citations should be as follows.

- References [50] and [51] in the first paragraph should be [39] and [40], respectively.
- References [21] and [53]–[55] in the second paragraph should be [20] and [42]–[44], respectively.

The IEEE regrets the error.
